

C220 Wheel Balancer

All wheel balancers supplied by Concept Garage Equipment have been designed and manufactured with durability, affordability and safety in mind.

Our C220 is our entry level wheel balancer but is still packed full of features and offers incredible versatility and a wealth of high-level functionality. At Concept Garage Equipment it is our intention to include features with all our equipment that puts us ahead of our competition in terms of quality and value for money. The C220 benefits from features such as automatic distance measuring, a positioning laser and much more. We also offer as standard a 2-year parts and labour warranty giving you the confidence that are purchasing a reliable wheel balancer. All our wheel balancers have been tested and certified to CE standards.

We can also supply motorcycle adaption kits for all of our wheel balancers.
