

# C52E

## Two Post Lift

All vehicle lifts supplied by Concept Garage Equipment have been designed and manufactured with durability, affordability, and safety in mind.

Our C52E van lift is one of our highest quality most robust lifts in our range with features and safety at the forefront putting us ahead of the competition for safety and quality. With extra width compared to our C42E, this lift comes with an automatic safety locking system, lifting height limit safety switch system, pad extensions for safer lifting, anti-toe traps plus a lot more. Some additional benefits of purchasing this lift are that it comes with post curtains, post caps, 70mm & 105mm extension kit and 3 stage symmetric

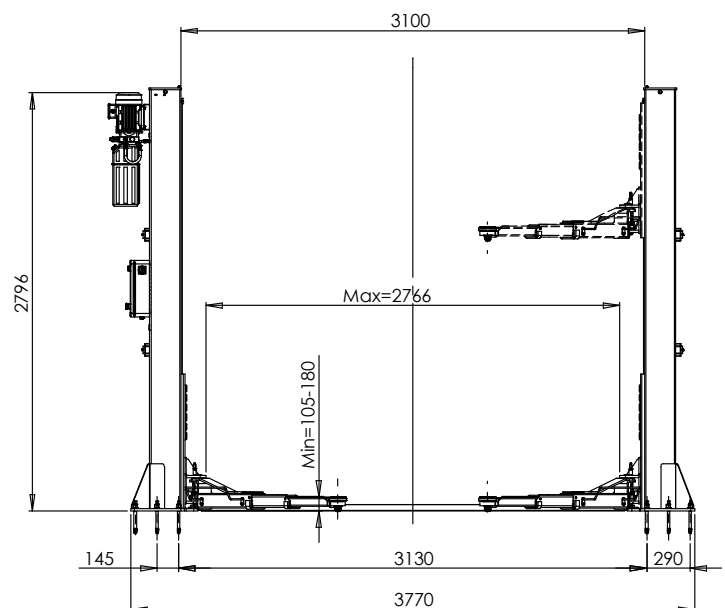

arms. This allows you to safely lift long wheelbase vehicles with complete confidence. This lift has been designed and built for a busy garage taking into consideration lifting and lowering all day. To back that statement up we have even added a two-year parts and labour warranty giving you the confidence that you are purchasing a strong reliable lift. All our lifts have been tested and certified to CE standards.
